ANNEXATION OF WESTLAKE APPROVED BY VOTERS TWO TO ONE - DALY CITY BALLOTS FOR TRUMAN, DOLWIG WINS ASSEMBLY, COUNTY EXECUTIVE OUT

There was no doubt in the minds of Daly City voters Tuesday, as they went to the polls and ratified the annexation of Westlake, Proposition B on the ballot, by a two-to-one majority. The results showed 3,415 voting Yes and only 1,790 No on the annexation measure, and were reflected as a vote of confidence in the city council which approved Ordinance 279, providing for the annexation of Westlake, in July of this year.

Backed by four members of the council, Mayor A. J. Gaggero and Councilmen Paul Green, Fred Bertetta and Edward J. Mooney, the annexation was also supported one hundred per cent by the Volunteer Fire Department, Recreation leaders and hundreds of citizens on the "Yes for Annexation" committee.

A mammoth parade, in which 280 automobiles serpentined throughout the city the night before election, culminated the "Yes for Annexation" campaign. The measure drew a tie in precinct 28 and lost by ten votes in precinct 3, but carried the remaining 26 city precincts by wide margins.

BIG TRUMAN VOTE

In the presidential race, Daly City gave strong support to the election of Presiden Truman by giving him 3,167 votes to only 1,716 for the defeated Dewey ticket.

ANDERSON STRONG

A strong complimentary vote for Congressman Jack Z. Anderson was recorded, with only token resistance from Paul Taylor, Independent Progressive Party congressional candidate.

ASSEMBLY DEMOCRATIC

Voting a straight Democratic ticket, Daly City voters cast 2,648 ballots for Assembly candidate Robert Hardgrove, against 1,808 for Assemblyman Richard Dolwig, who nevertheless won reelection throughout San Mateo county, leading Hardgrove by 44,003 to 33,369.

COUNTY EXECUTIVE OUT

Daly City voters also voted 2,022 to 1,494 against county proposition A, but the county as a whole approved the measure, 38,383 to 27,772. As a result, San Mateo county will have a county manager appointed by the board of supervisors, upon the expiration of the elected term of County Executive Frederick Peterson.

The county as a whole gave Dewey and Warren a 47,673 to 33,720 lead over President Harry S. Truman and his vice-presidential running-mate Alben Barkley.

CALLAN WINS

Thomas Callan, retired Colma businessman, was given strong local support for a position on the county board of harbor commissioners. The successful candidates were:

Callan, 31,787; Shaw, 46,284; Armstrong, 21,193; Clark, 34,909, and N. G. Johnson, 33,392.

COUNTY RESULTS

Other county results gave Congressman Jack Z. Anderson, 64,496; Paul Taylor, 13,621; Assemblyman Richard Dolwig, 44,003; Robert Hardgrove, 33,369; Peninsula Hospital District, Yes, 38,383; No, 27,772.

In South San Francisco, a proposal to remove city department heads from the jurisdiction of civil service rules failed, 3,203 to 1,808, despite support by South San Francisco's mayor, Leo Ferko.

A total of 87,079 votes was cast in San Mateo county. Daly City sent approximately 5,500 voters to the polls, a new record in local voting records.

COMMUNITY CHEST DRIVE EXTENDED TO NOVEMBER 15, NEW QUOTA ANNOUNCED

Extension of the Community Chest drive until November 15, and a revision in the quota for Daly City were announced this week by Frank B. Blum, general chairman of the local Red Feather drive.

The new quota for Daly City is $2,000, Blum said, and more than 50 per cent has been contributed so far. Volunteer workers were putting forth special effort to put the drive over the top.

The county-wide average for contributions so far was reported at 65 per cent. Nearby Broadmoor Village, with 95 per cent of its $600 quota reached, was leading the county.

The Daly City Record and King's Market were leading individual contributors and Blum praised the teachers at Jefferson high school, who added $151.38 to the drive. High school students also gave generously to the Red Feather campaign, as did elementary school students in the Jefferson district, along with their teachers and P.-T.A. organizations.

Among organizations supported by the Community Chest are the San Mateo County Blood Bank, Boy Scouts, Girl Scouts, Catholic Social Service, Council of Social Agencies, County Preventorium, Y.M.C.A., Social Hygiene Association, and the Children's Home Society.

Some of the volunteer workers working in the current campaign with Blum are Arnold Panella, Mrs. Ethel Harris, Mrs. Eve Hobbs, Mrs. Kathleen Matzek, Mrs. Emma D'Isep, Mrs. Mildred Seiler, Mrs. Betty Kohlbrunner, Mrs. Gus Kasper, Mrs. Lily Cavagnaro and Mrs. Ann Ingersoll.

DDITIONAL TEACHERS, IMPROVEMENT F GROUNDS AND BUILDING PROGRAM CCUPY DISTRICT SCHOOL TRUSTEES

Employment of an additional second grade teacher, to take care of the second session at Jefferson Elementary School, was approved by the Jefferson School District Board of Trustees at a meeting last Thursday in the Administration Building on Santa Barbara avenue. Trustees Callan, Bertetta and Van Der Werff were present, as was Superintendent James Snell.

The new teacher will be Miss Dorothy Pfunder, for the second grade at Jefferson school.

The board also approved hiring of a "travelling teacher" who will rotate from school to school on a regular schedule in order to release school principals for administrative and supervisory duties. The plan will be put in for the current semester on a trial basis.

The board listened to Engineer Edwin Smith explain estimates of the cost of grading and paving the yard area at Thornton School for $15,000 and two plans for the same work at Crocker School, one for $31,000 and a more extensive program which the engineer estimated would cost $70,000. These items were tabled for future discussion.

Additional indoor facilities for games, play and rainy day programs at Thornton School will be in store after approval of a contract for $187.50 to Kennedy Electric Co. for installation of a lighting system in the basement of the school.

New floor covering for the speech room at Woodrow Wilson was authorized and Trustee Callan will investigate a plan to install outdoor drinking fountains in all schools.

Andrew Van Der Werff, president of the board, opened the meeting for a public discussion of the Woodrow Wilson school and the district building program, and after a vigorous discussion by the public, the board and architect Mario Campi, Trustees Callan and Bertetta voted to hold a round-table meeting with H. H. Smith in an attempt to arrive at a common solution to the building problems of the school district.

A hearing on the election contest of ex-Councilman Edward J. Dennis against Councilman Fred Bertetta will be held on November 17 in superior court at Redwood City, it was announced today by Wayne Millington and Frank B. Blum, attorneys for Dennis.

The contest was filed after the April municipal election in which Bertetta led Dennis by 23 votes.

The first motion for a recount of the ballots was quashed by Superior Judge Aylett Cotton, but Blum and Millington took the case to the State appellate court, where Cotton's decision was reversed.

City Officials To Visit P.G.E. Plants

Members of the city council and other city officials have been invited to be guests of the Pacific Gas and Electric Co. on an inspection trip of the company's new hydro-electric power plants in northern California this week end.

A group of 22 Bay Area civic leaders will take off Saturday at 8 a.m. in a chartered bus and will travel to Jackson, Amador county, where they will inspect the P. G. & E. plant at Tiger Creek. The new West Point and Electra power plants, part of the company's multi-million dollar expansion program, will also be visited.

The group will spend Saturday night at the Tiger Creek Lodge and will return to San Francisco Sunday afternoon.

STREET SIGNS ON THE WAY -- SHOULD BE UP IN 30 DAYS

Street-signs for the main intersections throughout the city will be installed within the next thirty days.

The steel, enamelled signs, with black letters on a white background, were ordered by the city council last February. In response to a telegram from Councilman Paul Green Tuesday, the Lyle Manufacturing Co. of Minneapolis, Minnesota, replied that the signs had been shipped last week and should arrive in Daly City any day.

The initial order covers 75 sign locations, including all intersections on Mission street, Hillside boulevard, School street, Junipero Serra boulevard and Hillcrest drive. When these main streets have been covered, the council plans to install additional signs throughout the city, doing a section at a time on a year-to-year basis.

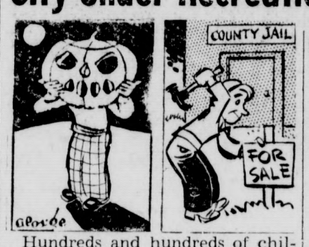
Hundreds Of Children Attend Parties To Celebrate Hallowe'en Throughout City Under Recreation Department



Hundreds and hundreds of children, from infants to teen-agers, took part in the Hallowe'en parties staged by the Daly City Recreation Commission at schools and recreation centers throughout the city last Saturday.

The Hallowe'en events, started by Recreation Director Elman Rose two years ago, have drawn larger crowds each year and already have practically eliminated acts of vandalism which were formerly common occurences every year. The police department reported a very quiet Hallowe'en and gave Rose and his helpers a large vote of thanks.

In the neighborhoods, residents reported a large number of small, costumed "Trick-or-Treaters," but no damages nor disturbances were reported.

Children and parents alike were unanimous in their praise of the organization and entertainment provided by Rose and the Recreation Commission.

At the high school woodshop, a party for children from 4 to 7 years of age was staged under the direction of Mrs. John Sorensen and James Hinds. Colorful decorations, movie comedies, balloon blowing, story telling and free ice cream gave the tots a well - remembered Hallowe'en. Wardelle Angelly, Ludwell Sibly, Nan Brannan and Mary Lou Delfino won prizes for costumes.

600 AT HIGH SCHOOL

A crowd of more than 600 kids attended another Hallowe'en party in the high school cafeteria, with recreation directors, the P.T.A., police and fire department joining in to run the affair.

A costume parade resulted in prizes for Gloria Viola, Ellen June, Shirley Mendelson, Sandra Paoli, Robert Griffin, Michael Rogerson, Sandra Jacobs, Pearl Regis and Darlene Haynes.

Florence Morrow and Lynne Haynes took first honors in doughnut eating, after which the group enjoyed movies and records. Free ice cream received a good welcome.

Other contest winners were Joan Jackson, Shirley Hooper, Leslie

SOUTH CITY BEATS MUSTANGS, 26-0 IN ROUGH CONTEST

A powerhouse South San Francisco Windbreakers football team cinched the 1948 championship of the California Athletic League Sunday before 1,500 spectators at Jefferson high stadium by repulsing the Daly City Mustangs, 26 to 0, in a bone-bruising gridiron battle.

Although the Windbreakers were bigger, stronger, and had a more polished attack than the underdog Mustangs, they were unable to push the locals on the ground and resorted to long passes to reach pay-dirt and take the lead in the first quarter.

PASSES CLICK

The first score came in the middle of the first quarter when South City's Jack Ferrari faded back and shot a 30-yard pass down the middle. Defenders Jack Rainey and Chuck Christian slipped and fell on the moist turf as Aldo De Tomasi caught Ferrari's heave and romped in to the end zone. Barbetti converted.

In the same period, after the Windbreakers line blocked Bob Dyer's punt on the Musfang 15-yard line, the South City eleven scored again, this time on a pass from Ferrari to end Ray Angeli, to make the score 13 to 0 at the half.

Outstanding work by Mustang guard John Coccellato, who was the outstanding defensive lineman on the field Sunday, and defenders Rod Dawe and Jerry Listman held the Windbreakers ground attack time after time.

Annexation Leaders Thank Voters, Plan Continued Progress

Expressing gratification in the vote of confidence given those members of the city council who negotiated and passed the ordinance annexing Westlake to Daly City, Mayor A. J. Gaggero said, "There is no doubt that the people want a bigger and better city. Now it's up to us to give plan developments leading to that goal."

Councilmen Paul Green, Edward J. Mooney and Fred Bertetta joined in thanking voters who turned out to support the measure, and pledged a program that will show many improvements in Daly City.

A. L. SUNDSTROM

A. L. Sundstrom, general chairman of the YES for Annexation Citizens Committee, declared today that the overwhelming vote in favor of the annexation of Westlake at Tuesday's election was a victory for the progressive citizens of Daly City, interested in the city's future.

Sundstrom, who, with A. J. Bodien, as co-chairman, directed the annexation campaign, voiced his thanks to the members of the committee and to the hundreds of citizens who joined actively in the campaign.

He particularly thanked the citizens who participated in the automobile parade on election eve, which marked the close of the YES for annexation drive.

"The tremendous vote given for annexation Tuesday was a great victory for the progressive citizens of Daly City," Sundstrom said.

"Now that the election is over, I trust that everyone will unite to work together in building a greater city and make Daly City the best city in the county."

A. J. BODIEN

In a letter to The Daly City Record ,A. J. Bodien said: "Please convey my thoughts on the annexation election of November 2. It is gratifying to know that the people approved this great step by such a splendid vote.

"With a greater population we can demand many needed things in the north end of our county and make Daly City a better city in which to live.

"Our city should look ahead and consider future annexation such as the unincorporated areas to the south and the Crocker hills to the east, for which blue-prints have already been drawn and which will someday develop into a fine residential district.

"Some very unkind remarks were made in this campaign attacking a few who helped promote this advancement of our city and I pray that this will never happen again as we are still in America. Now that the people have spoken, let us all join hands and help for its future."

ELMER KENNEDY

Fire Chief Elmer Kennedy, one of the principal backers of the annexation of Westlake, had this to say after Tuesday's election:

"There is no doubt the unanimous majority given the annexation will be responsible for a complete transfiguration of the city in the near future.

"Our city will grow beyond the wildest speculations, and with proper planning, guidance and forethought, will take its place as the foremost city on the peninsula.

"The Daly City Volunteer Fire Department sincerely thanks the voters and will continue to work for and support impartially measures which we believe will benefit the community. The people of Daly City are to be congratulated."

HENRY DOELGER

Henry Doelger, owner of the Westlake subdivision, today expressed his appreciation to the citizens of Daly City for the vote of confidence given to him in the annexation election on Tuesday.

He pledged every cooperation with the city council and city officials in carrying out the provisions of the written agreement providing for the annexation.

Mr. Doelger said:

"I want to express my sincere appreciation to the citizens of Daly City for the vote Tuesday by which Westlake becomes part of Daly City, because I feel it was also a vote of confidence in myself personally and my integrity.

"Certainly no person can be more grateful than I for the hundreds and hundreds of loyal citizens of Daly City, who rallied in favor of annexation of Westlake because they were convinced that it was for the best interests of the city and their own welfare.

"I want to assure the people of Daly City that I will immediately proceed with the necessary proceedings whereby Westlake is annexed to Daly City, and will carry out in detail every single provision of the written agreement entered into between the city council and myself for the annexation."

NEWS FROM THE SCHOOLS

JEFFERSON

"Most fun we ever had at a party" seemed to be the consensus of opinion expressed by Jefferson eighth graders as they relived their class party, held Friday evening in the Jefferson kindergarten. Plans had been in progress for two weeks and nothing was left undone to make the party a never-to-be-forgotten affair.

En masse and in costumes the teen-agers appeared at 7 o'clock in the highest of high spirits and anticipating the pranks to be played upon them and which they would play upon each other. They were not disappointed. One by one they were admitted by the "spooks" within who proceeded to "scare" them in true "spook" fashion. When all assembled in the very much transformed kindergarten the games started. Never a dull moment, but by 9 o'clock, buffet refreshments were served and the group found itself seated in a large circle on the floor, well laden plates before them.

There was music and dancing, including Virginia Reels; there were more games and there were stunts and tricks, and there was a puppet show. The latter was put on by Janice Sproule, who makes a hobby of puppets and she kept the group amused with two very clever, impromptu acts. The costumes are practically indescribable, both from the standpoint of originality and variety; for the "Tramps" outtramped any tramp in history, "Casey at the Bat" never had a better counterpart; a movie-star was out-starred and so on and on and on. No one was ready to go home by ten-thirty, but by 11 o'clock the good mothers and dads who called had taken away the last reluctant-to-go guest, the teacher had said "good-night" and a never-to-be-forgotten party was over.

This week in honoring United Nations Week, the fifth graders had an Audience Reading radio play. Ed Dennis artistically made an improvised radio set for the class program.

Eileen De Bernardi was the announcer and Janice Toole, Richard Stookey, Linda Carovano, Drena Guaraldi, and Bernard Lemp represented the personnel from the different countries.

WOODROW WILSON

Last week the boys and girls in the H2 and L3 continued to learn more about their city on their way home from school, making a list of the various buildings and shops they saw. Judy Beecher's father, who is a police officer, was able to get a map of Daly City for the class.

Steve Hansen, with the help of his mother, located the important buildings on the map. Friday the class gathered together its information and made a story about our city hall.

The L3 began a study of newspapers and published a class newspaper containing short articles of the various activities of the group at the Portola Festival and the Mission Street Carnival and the pageant, "The Shining Trail."

The third and fourth grade in Room 9 have learned Hallowe'en songs and have drawn some very nice pictures of Hallowe'en activities. They are very proud of the frieze of Mission street which has been completed. This activitiy is a part of the study of community life.

Members of the L4 grade drew pictures of their homes. This was a lesson in simple prospective and observation.

CROCKER

An outdoor assembly was held by President Jean Eliasen at the Crocker School serving a two-fold purpose; first, the opportunity to see the award won by the Jefferson School District for its float entered in the recent Portola Festival parade in San Mateo county, and, second, as recognition to James Bricker and Tom Costello, winners of the Daly City Handball Championship.

At the request of President Eliasen, Superintendent Snell led the pledge to the flag, which was followed by the singing of "America," led by Mrs. Muriel Vint.

Mr. Snell, presented the award to the president, and informed the student body that they could display said award on th ir bulletin board for a period of two weeks.

The presentation of the award was followed by a series of cheers for the float designers, the handball champions, Coach Bill Tergis, and the Crocker teachers. The assembly closed with the singing of the "Star-Spangled Banner." President Eliasen then orderly dismissed the student body for their recess.

Cooking Ducks

Wild ducks can be roasted successfully in an uncovered pan. Keep the oven temperature moderate (325 degrees F). Allow 20 to 30 minutes per pound of bird for roasting time. Wild duck meat is not only darker than tame duck but is drier. You can keep it moist by laying a few strips of bacon across the breast or baste the bird frequently with the juice of an orange—a flavor that is especially pleasing with duck.

HI-LITES AT S. F. CITY COLLEGE

By Frank Galo

One of the semester's top social events, the Block SF dance, will take place tonight. Tickets may be purchased at the door for $1.25 per couple or 75 cents stag. Music will be provided by Roy Stefani and his orchestra. Society President Al Athanasopoulus announced that two tickets to the Cleveland - SF 49'ers classic will be awarded as door prizes.

PHI BETA RHO

A lovely Texan gal, June Orsburn, gives us the lowdown on the campus' largest and most popular sorority, Phi Beta Rho. The purpose of this invitational sorority is to create college spirit, raise scholastic standings, and to render service to the college.

Leaders of the Cardinal and Gold are Marvel Sneider, president; Gloria Feldman, vice president; Ruth Cristanti, corresponding secretary; Diane Beach, recording secretary; Lenore Buck, historian; Lois Schroeder, treasurer; Jean Vivaldi, sergeant-at-arms; June Orsburn, press agent; and Evelyn Kerkhof, sponsor.

Many thanks to Miss Orsburn, liberal arts major and homecoming queen candidate, for the above information. Help was also received from President Marvel Sneider, an old-timer with Phi Beta Rho, being corresponding secretary last semester.

FOOTBALL

Gunning for their seventh straight victory, the City College Ram eleven left this morning for Los Angeles where they will engage Los Angeles City College. Past records favor the local boys since East LA dumped LACC, while, only last week, Grover Klemmer's boys took an easy and impressive win over the East LA squad to the tune of 48-6.

The game started with a 70-yard kickoff return by Ollie Matson. However, the Rams lost the ball on downs but it didn't make much difference for seven minutes after tthe opening gun, the Rams had a 2-0 lead on a safety caused by a bad center. Three plays later it was 9-0 when Ollie Matson rambled 20 yards to paydirt with Bob Toquinto converting. To break the monotony, East LA scored on a 40-yard pass play. Then the Rams started rolling again as Roy Georgi tallied and following Toquinto's conversion, the score read 16-6. Before the half was over, Toquinto and Rotea Gilford scored to up the victory march to 28-6.

Earl Toller played the best ball in the line and Coach Grover Klemmer aged ten years when Toller was knocked out cold. Other boys distiguishing themselves in the line were Paul Oliver, Neil Gunn, and the two Daly City boys, Don Morettini and Bill Shipp.

DIS N' DAT

The City College band, after much bickering by the student council, received the go signal for the Los Angeles trek. It will be the first time the band leaves the home grounds in their new snappy uniforms.

Gloom prevailed among the male population of the college for it was announced that no post office jobs are available during Xmas vacation and if there are, they will be restricted to war veterans.

Despite the efforts of a Daly City man, Neil Decker, the college soccer team had to be satisfied with a 2-2 tie with Stanford. The rugged Decker is a Mission High School product and one of Daly City's top athletes.

Final thought: Attend all City College athletic events and see Daly City boys participate, namely Don Morettini and Bill Shipp in football and Neil Decker in soccer.

There are 1300 offices and a 400-car garage in the Russ Building in San Francisco.

TED SURBER WINS SAFETY AWARD AT WOODROW WILSON

Ted Surber, student in Mrs. Marjorie Ross' fourth grade at Woodrow Wilson elementary school, was the winner of a safety award for having his bicycle in top condition at the bicycle safety check conducted under the auspices of Robert Moore, curriculum assistant in safety education of the county school superintendent's office.

The safety check, held October 27 before an assembly of Woodrow Wilson pupils, is a portion of the safety education program. Judges included Miss Aileen Suber, principal of the elementary school; Mrs. Eve Hobb, safety chairman of the 17th P.T.A. district; Officer W. W. Sunderman and Sgt. Ricco Benedetti of the Daly City police department; Joanne Hyder, student body president; and James Snell, superintendent of schools.

The check consisted of a careful inspection of handle bars, chain guard, frame, brake, bundle carrier and all moving parts.

Ted is the son of Mr. and Mrs. J. E. Surber of 83 Shakespeare street. His bike was found by the judges to be 100 per cent safe with the exception that it had no basket.

Other pupils who ride bicycles to school will have the opportunity to win an award at safety checks held throughout the year, according to Snell.

HI-LITES From Jefferson Union High School

by Carol Donaldson

The Senior Class voted on the question of whether or not to have their senior pictures taken in caps and gowns for this year's annual. Bob High, class president, called the meeting to order and showed examples of pictures taken both ways. Ballots were passed out and the returns showed that nineteen wanted the pictures taken with caps and gowns and forty wanted them without. The entire class was asked to come but only fifty-nine students attended to decide for the whole class.

The "Spook Shindig," the dance scheduled for last Friday night, was called off because not enough ticket money was taken in to cover the expenses of the dance.

A straw vote was taken by a member of the journalism class to determine for whom the students would vote if they were 21. The results showed that Dewey received 45 votes, Truman got 40, and Henry Wallace, 3.

The prices for the Variety show, to be held on November 12, have been lowered to 35c with S.B.C., and 50c for adults.

This Monday the national school assemblies put on their first assembly of the term at Jeff. Featured was Bob Edgar, who demonstrated a model of one of the wonders of the world, the powerful telescope situated on top of Mt. Palomar. Some of the scheduled assemblies are Turner, the Penman; Kilties, the Scotch Quartet; and the Christians, travelogues with pictures.

Friday, October 22, members of the German Club attended the "Blue Danube" at the Curran Theatre. The C.S.F. is planning a party to be given in honor of the new members.

The Junior Prom committee met last Friday morning. Plans were discussed and it was decided that "Carnival Time" would be the theme. It was decided that there would be a five-piece band and the price would be 85c for students and outsiders.

The Junior Class voted on their choice for their Senior rings Friday morning during both lunch periods. They decided on the all gold type, No. 3.

South City Beats Mustangs

Continued from Page 1

but the Mustangs were unable to click with an offense. As a result, the locals played most of the game in their own territory.

ROUGH GAME

On three successive plays in the first quarter, South City men were carried from the field as the intense rivalry between the teams developed bone-crushing blocking, tackling, clipping and, we suspect, a little slugging to boot.

The Mustangs hopes were dampened in the second quarter when Fullback Red Austring was ejected from the game for unnecessary roughness.

The locals shared injuries, too, with Center Merv Francis, who played a bang-up defensive game, coming out with a fractured arm, while guard Rod Dawe collected a cut forehead.

The Windbreakers scored in the third period on a pass from Ferrari to end Ray Angeli and, after Quarterback Bob Sendner intercepted a Mustang pass which he returned to the locals 15-yard line, Fullback Robbie Barbetti slashed out of the T-formation through the center of the line for the final tally.

Forced to gamble throughout the game, the Mustangs passing attack went for nil as Jack Rainey and Bob Plyer were rushed off their feet by an alert Windbreaker forward wall.

MUSTANGS GAMBLE

Bob Dyer brought the crowd to its feet in the last quarter, on fourth down on his own 15-yard line, by gambling a run from punt formation which was good for 20 yards.

Outstanding for South City were Ferrari and Angeli, while quarterback Bob Sendner starred both on offense and defense. Pint-size halfback Manuel Huerta ripped off a lot of yardage and proved himself a scoot-back although he never came close to scoring.

The undefeated Windbreakers are now undisputed and unbeaten champions of the 1948 C.A.L. The Daly City aggregation, in their first year of competition, won three games, lost four and tied one.

Besides the 24 members present were the chaplain, Father James McElligott, and the Institute deputy, Mrs. Isabel Trelut.

The dinner came to a close with each of the honored guests saying a few words in regard to the institute's birthday.

Betty Valentino, Bob Rafter Are Married

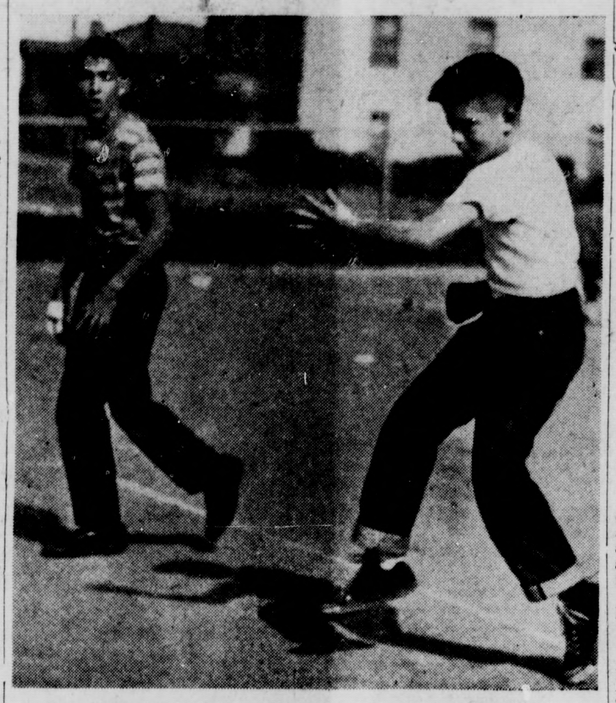
Mr. and Mrs. Sam Valentino, of 327 Westlake avenue, this week announced the marriage of their daughter Betty to Bob Rafter. The Rafters were married at Virginia City, Nevada, on October 23.

Standing up for the couple were Mr. and Mrs. Brown, the groom's brother-in-law and sister.

The newlyweds are making their home at Candlestick Cove in San Francisco at present.

Mrs. Rafter was born and raised in Daly City and is a graduate of Jefferson high school.

Handball Champion



Peter Roberts, left, of Crocker school, looks on as Tommy Costello, also of Crocker, returns the ball in the elementary school district handball championship play-off. Tommy won the game and the title. The elementary school sport program is directed by Bob Seiler, under the city recreation department.

JUNIPERO SERRA NINE WINS 15-8

ANTICIPATION AND SAFE DRIVING

Anticipation is half the fun of a feast. It is also half the battel of safe driving. The public safety department of the National Automobile Club advises motorists that if they will anticipate the actions of the other fellow they won't so frequently find themselves in these tight spots that call for catlike reactions to avoid disaster. If they can tell in advance what the other fellow is going to do, they will be able to do what they have to do with ease and with safety.

TWO BROADMOOR RESIDENTS INVENT NEW TOY --- SWAMPED WITH ORDERS

A sensational new educational toy, the "Scopie," has been placed on the market by two Broadmoor Village residents, Lloyd Wofford and Eugene Schoeck.

The Scopie, a product of Wofford's imagination and Schoeck's mechanical design, is the first really new play-and-learn toy in twenty years. It is a gaily decorated square plastic block with a clear window under which various picture strips are wound. These strips reveal cleverly designed educational material, one frame at a time, and may be wound and unwound by a simple wheel at the top of the box.

The interchangeable Scopie strips available now include: the alphabet, presenting each letter with a word-association drawing; numbers; time o' day, animals and nursery rhymes. All these have been designed by Donald Whearty, one of San Francisco's leading artists, and a man trained in child psychology.

Aimed to teach and amuse children from two to six years of age, the Scopie was envisioned by Wofford while he was on duty with the Sea-Bees in the Samoan Islands. However, he was unable to do anything about his idea until he met his Broadmoor neighbor, Schoeck, who is a graduate of an engineering college.

Wofford told his idea of the toy to Schoeck, who worked out the mechanical end of it. Then, together, the two men formed the Wosco Company, and began production. Partial production was started last June, but due to many difficulties, the first Scopie wasn't off the production line until October. First delivery was made to the Emporium in San Francisco on October 5.

Wofford took his plans for the toy all over the United States last year and secured enthusiastic contracts from leading stores everywhere. His only problem now is to meet these contracts. His factory here can produce only 18,000 Scopies a week and so he is far behind in his shipments. He expects to sell three million of the toys next year.

Included with each Scopie sold is a merit card that certifies the owner has completed and learned all five of the Scopie strips. If the child sends in the merit card, together with the tops of four Scopie strip boxes, he will receive a beautiful certificate of merit, suitable for framing, from the manufacturers.

Wofford has already had many inquiries from South America and Mexico for Scopie strips printed in Spanish, and this project is underway now. He has also had requests from Hawaii and Alaska for strips drawn with their local word-symbols, and these are under consideration.

Perhaps one of the most unusual contracts Scopie has is for the Southern Pacific Railroad. The SP put the toy on sale on its trains and was overwhelmed with the response.

Though only five strips are available now for the Scopie, more are coming, so that the toy will never get old.

Several other ideas for new toys are off the drafting board, too, and will be on the farket soon. It looks like Lloyd Wofford is out of the import-export business and into the toy manufacturing business for good!

MODESTO NAMED

Modesto, county seat of Stanislaus county, is reported by the National Automobile Club to have been almost named Ralston in 1870, for a pioneeer banker who modestly declined the honor.

TURKEY WHIST

A $15 basket of groceries will be the main attraction at the Turkey Whist being sponsored by the Ladies Auxiliary, Co. 2 Firehouse, at 8 p.m. November 17.

Beautiful Doll Display

One of the most beautiful doll displays this side of Toy-land is being shown at Harry's Bakery.

The dolls, which will make some little girl's Christmas a happy one, are for the big Bazaar this Saturday and Sunday at Colombo Hall, under the auspices of Holy Angel's church in Colma.

Westlake Furniture 'Tho New, Requires More Display Space

Public response to the new Westlake Furniture store next to Jefferson high school at 6940 Mission street has been so great that an addition to the new building is necessary, according to Guido Brocchini, one of the partners.

The addition, already under construction, will add sixty feet of frontage on Mission street, on the north side of the main building. It will have a front completely made of glass and will be used for display of the many items of furniture and housewares featured at Westlake Furniture.

Dino Ruggeri, Dominic D'Augusta and Guido Brocchini, proprietors, said that never in their experience in the furniture business have they experienced such friendship and public response as in their new Daly City location.

San Mateo County's Valuation Increase Is Below Average

Taxable property in San Mateo county for the current fiscal year, assessed at $192,999,746 shows a 54 per cent increase over the prewar $124,978,000 valuation for 1941-42, California Taxpayers' association said today, making public its study of trends in taxable valuations in California counties.

The 1948-49 taxable valuation of the county includes $64,925,040 in land, $115,031,273 in improvements, and $29,600,417 in personal property and money; deducted from the total, there was $16,556,984 in exemptions.

Over the state as a whole, taxable valuations for 1948-49 are assessed at $12,193,012,251, which is 66 per cent or two-thirds more than the $7,350,926,865 total value of taxable property for 1941-42.

Assessed value of taxable property throughout the state this year includes $4,700,080,532 of land, $5,432,069,205 of improvements, $2,577,998,502 of personal property and money, with $517,135,988 of exemptions.

Biggest relative increase in valuations for 1948-49 over those for 1941-42 were in Orange and San Joaquin counties, where total taxable valuation more than doubled. Orange county showed an increase of 110 per cent and San Joaquin county showed an increase of 113 per cent.

Other counties which show increases in taxable values of more than two-thirds since 1941-42, include Contra Costa, 80 per cent; El Dorado, 88 per cent; Lake, 86 per cent; Los Angeles, 88 per cent; Riverside, 76 per cent; San Bernardino, 76 per cent; San Diego, 82 per cent; Santa Clara, 78 per cent; Solano, 84 per cent; Stanislaus, 70 per cent; and Ventura, 89 per cent.

HOLY ANGEL'S BAZAAR Friday, Saturday

A full-fledged, old-fashioned bazaar will hold the spotlight this week end as Holy Angel's Church in Colma conducts the affair Saturday and Sunday at Colombo Hall in Colma.

Booths, games, dancing and a general round of hilarity are in store for all who attend, said Father McElligott, pastor of Holy Angel's.

The public is invited to attend. Plenty of parking space is available near Colombo Hall, located on San Pedro road in Colma.

The festivities will start Saturday at 7 p.m. and will wind up with a dancing party Sunday night.

S.F. MAYOR PLEDGES AID FOR S. M. CO.

Pointing out that, out of every five jobs now paying wages in the Bay Area, two of those jobs did not even exist in 1940, S.F.'s Mayor Elmer Robinson said that wage earners in Bay Area counties now have a weekly "take home pay" approximately double the 1940 income level, in a speech before San Mateo's Rotary Club at the Benjamin Franklin Hotel Thursday.

Robinson promised that number 40 street-cars, which he termed "refugees from a museum," will shorly be replaced with new automotive equipment, and pledged his city's cooperation with San Mateo county in mutual problems.

While admitting that he would like to see northern San Mateo county part of San Francisco, Mayor Robinson denied he had any "land grab" in view, and said the only way in which a consolidation might be encouraged would be for San Francisco to provide cooperation, efficiency and advantages for San Mateo county residents.

TEST YOUR I. Q.

1. What president of the U. S. lived the longest?
2. Is the electric eel a true eel?

3. Is it a historical fact that Nero played the fiddle?
4. Where did the name cantaloupe come from?
5. Do fish live in the Dead Sea?

LIGHT ON DRIVING SKILL

Accident records still fail to demonstrate with finality that men are better drivers than women, or vice versa, states the National Automobile Club. They do show, however, that the two have different types of accidents: the women more minor mishaps, proportionately, and the men the more serious ones.

Answers to TEST YOUR I. Q.

1. John Adams, who lived to be 90.
2. No. Technically, the famed electric eel is a Latin American relative of the catfish.
3. It is certain that Nero did not play a violin as we know it, since the violin was not developed for centuries after his time.
4. Cantaloupes are so named because they were first grown in Cantaloupe, Italy.
5. Because of its extreme salinity, fish cannot live in the Dead Sea.

Ed Wynn Playing At Curran Theatre

Paul Small's Battalion of Buffoons, headed by Ed Wynn, "The Perfect Fool," Phil Baker and Allan Jones, and supported by Pat Rooney, Betty Reilly, Sid Silvers, Dick and Dottie Remy, The Hermanos Williams Trio and Marion Harris, Jr., will bounce into the Curran Theatre Sunday night, November 7, for a limited engagement in a new variety revue, which producer Small is pleased to call "Ed Wynn's Laugh Carnival."

Ed Wynn, the world reknowned "Fire Chief," is known to three generations of American Theatregoers as a master clown, having appeared in musical shows from "Ziegfeld Follies of 1914" to "Big Time," another Paul Small hit in 1943, also in motion pictures, and as a pioneer of radio, both as star performer and station owner.

Phil Baker and his accordion are known to millions of stage, screen and radio devotees, and handsome Allan Jones, of both the cinema and air-waves, intrigues you with his songs. Pat Rooney who is still considered by the experts to be the best dancer on the stage, continues with "She's the Daughter of Rosie O'Grady."

There will be seven evening performances each week, starting Sunday, and matinees on Saturday and Sunday, after the opening.

DANGER AT NIGHT

In spite of the fact that highway traffic falls off after dark, three out of five motor vehicle deaths still happen at night. Such statistics, points out the National Automobile Club, bear evidence to the fact that night driving is more difficult and more dangerous than day driving. Until a headlight is invented that will illuminate the highway as brilliantly as does daylight, wise motorists will compensate for decreased visibility by using increased caution. When the sun goes down, they will slow down and be safe.

It's Spring This Fall For Clothing Buyers

As San Franciscans enjoyed Indian-summer weather, they were reminded spring is just around the corner, when Mayor Elmer E. Robinson proclaimed the week of November 7-10 as "Spring Fashion Week."

Sponsored jointly by the Manufacturers and Wholesalers Association and the West Coast Salesmen's Association, the week will have as its theme "Carnival of Fashion," and will feature the latest in advance spring styles.

Buyers from every part of the nation are expected to attend the display which will be one of the greatest of its kind in the history of the West.

County Blood Donors Still Give To Bank

The fact that blood donors are still performing a valuable public service was brought home this week as William A. Thompson of Daly City was credited with his eighth donation to the San Mateo County Blood Bank. Elbert Ferguson, of Colma, also contributed to the bank, for the first time.

"San Francisco's clothing trade industry has assumed a prominent role in the city's economy," the Mayor declared in his proclamation.

One Fine Day" is a lively com- tailor-made for the talents and beraments of Charlie Ruggles Mary Boland. The latter are gral members of a family re- g in Kansas, circa 1912, when norny skeleton bone is un- hed in their backyard — and the buried bone itself, their Stygian secrets are unfurled hat turns out to be an effer- ent and intriguing expose — te with laughs, gaiety and kling surprises. A home-spun edy, "One Fine Day" concerns trials and tribulations that d beset any family residing where under the stars and es.

r. Ruggles and Miss Boland are supported by an imposing cast numbering Wallis Clark, who played the title role in "Life With Father" on Broadway, Gordon Rhodes, last seen in "I Remember Mama," Shirley Davis, Robert Knapp, and Hank Clark.

CHOICE OF ROADS

It does not pay, points out the National Automobile Club, to take the longest road just to be sure of traveling on hard surfaced highways — at least not in all cases. Some motorists are so accustomed to such highways that any other kind seems impossible, but dirt and gravel roads have an allure of their own. It is well worth experiencing when one can be sure in advance that the condition of such roads is good.

To the wife of Pete Jones, 345 Hanover street, October 27, a son.

Other prize winners at the party were Loretta Berg, Lilianne Boynton and Diane Thompson. Catherine Banks received her year pendant.

The Brownies will begin selling Girl Scout calendars next week. Proceeds will be used to buy an American Flag for their troop room. Clothing kits are also being assembled by the group.

State Educational Program For Vets

Complete, up-to-date information about the State education assistance program from California veterans and to eligible widows and children of deceased veterans has just been received at the Veterans Service Office it is announced by Floyd D. Granger, veterans service officer.

The information is contained in two pamphlets just published by the Division of Educational Assistance of the State Department of Veterans Affairs. They may be obtained free at the Veterans Service Office, Redwood City, Granger said.

"Educational Assistance Extended to California Veterans" defines eligibility for the State Educational aid, which covers tuition and other expenses plus a $40 monthly subsistence allotment up to a maximum of $1,000 per veteran. Granger reported that more and more veterans are turning to the State program as their entitlement under the Federal GI Bill is used up.

The other pamphlet, "California Educational Assistance Available to Widows and Children of Deceased Veterans," explains a relatively little-known State benefit. Under the laws governing this program, widows and children of those veterans whose death occurred as a result of military service are eligible for financial assistance in completing their education.

Mr. Granger urged all veterans and others interested to consult him at the Veterans Service Office in the Courthouse, Redwood City.

San Mateo Jaysee Notes

Defeating San Bernardino Valley College 21-7 Saturday, San Mateo Junior College ran its string of victories over southern colleges to two as the Mateans had previously defeated John Muir College of Pasadena. The San Berdoo eleven came north by plane to meet the local Bulldogs. Bob Griffin of the Mateans ran off two of the winning touchdowns from his fullback post. San Bernardino scored through pass plays in the closing minutes of the game. In all San Mateo ran up three touchdowns and a safety in winning its first victory of the season on its home grounds.

This Saturday San Mateo should be playing one of its hardest games of the 1948 season. Hartnell College of Salinas will face the Bulldogs on the Burlingame High School field at 2 o'clock. Hartnell has one of the passing stars of the JC conference, a player who can pass 50 and 60 yards and who has scored 16 touchdowns with his accurate throwing.

San Mateo Junior College will observe Sadie Hawkins day by having a dance in the Baldwin campus gym this Saturday evening, November 9. The men will attend a Navy meeting and see the movie, "The Battle of Midway." Steady practice is going on now on the college term play, a comedy, "Death Takes a Holiday."

In the oven . . . in a jiffy!
Getting a turkey ready to roast used to be more trouble than getting Junior ready for school. It used to be, we mean. Now, using the oven-ready kind of turkey you'll find at Safeway, the job's a cinch.
These turkeys are *really* clean! Hardly a pin-feather to pick. No singeing to do. No cleaning left to do inside—the turkey is completely ready for stuffing.
The birds are selected from finest flocks—fed to produce tender, sweet meat. In plants as spotless as your own kitchen they are cleaned and dressed under careful supervision. After each bird is drawn, it is thoroughly washed inside and out with a high-pressure stream of water. Nothing is left in or on the turkey to mar the fresh, sweet flavor of the meat. Quick-freezing seals in the natural goodness—keeps it in. An individual package protects your turkey from the plant to your home.
Buy your turkey from Safeway . . . OVEN-READY. It's the easy way to enjoy turkey at its best.

BROADMOOR VILLAGE NEWS

By Dorothy R. Levitan

It's almost "Over the Top" for the Broadmoor - Garden Village Community Chest! Mrs. Ray Marovich, Chest chairman, has announced that 95 per cent of the total of $600 has been raised in the drive in this area. Good going, Broadmoor and Garden Village! The area was solicited by volunteer women, under Mrs. Marovich's direction.

NURSE SERVICE

A visiting nurse service is being inaugurated in Broadmoor by Mae P. Woolley, a registered nurse, 304 Louvaine drive. The service will also be available to mothers of Garden Village and the North Peninsula. It will take care of mothers and new babies immediately on their return from the hospital and will be conducted on an hourly basis. Mrs. Woolley is a graduate of St. Mark's Hospital in Salt Lake City and served as superintendent of nurses there for sixteen years. In San Francisco she has been associated with St. Francis, St. Mary's and Stanford hospitals.

NEW VFW POST

A new post of the Veterans of Foreign Wars was started this week in Broadmoor and Garden Village. Initial arrangements were handled by Leo H. Carton, chief of staff of the 15th District of the VFW, Department of California. Interested men met Monday evening at the Community Center to form plans for the organization.

Cards went out this week to all Broadmoor residents notifying them of the protest meeting for the proposed Broadmoor unlimited police district. The meeting will be held November 16 in Redwood City. All the figures and facts on the police district proposal have been compiled now, and George York, chairman of the project, took charge of sending the notices.

BOARD MEETS

The board of directors of the Broadmoor Property Owners Association will hold their monthly meeting next Thursday evening. The meeting will be held in the Community Center and will be led by Vincent J. Murphy, board president.

The Broadmoor goblins have gone back into hiding for another year and doorbells have stopped ringing "trick or treat." . . . . . Hallowe'en is over and with it a highly successful kiddie parade and party in the Village. Over 350 children participated in the Hallowe'en parade held Sunday afternoon in Broadmoor, decked out in the fanciest of costumes. Prizes were awarded to the 24 best outfitted paraders.

Included in the prizes were slippers, stuffed toys, record albums, mechanical toys, set of Golden Books, photographs, puppies and airplane rides! In addition, each child present was given a bag containing candy, bubble gum and toys.

Mrs. Eileen Blanco was chairman and organizer of the affair. She was assisted by several Broadmoor women. The parade was held on Midway drive and ended up at the lot adjoining Mr. Ever's office.

According to all present, children and their parents, the parade was a tremendous success and a lot of fun for all.

CENTER DINNER

A pot-luck dinner was held at noon Wednesday for members of the Colma P.-T.A. The affair was held in the Broadmoor Community Center.

High School Painter Excels At Spelling

Sign-painters are notoriously the world's worst exponents of spelling.

Perhaps they have a class in sign-painting at the high school, for the baseball infield is undergoing extensive repairs and proclaimed on the backstop in bold, white letters are the words, "UNDER REPAIR, KEEP OFF THIS FEILD."

The sign-painter doesn't yeild as he weilds his brush to write "feild."

BLACK BASS FISHING

Black bass fishing has been fair lately in the waters of Napa county, according to the National Automobile Club. Many anglers have been enjoying the sport.

Midget Touch Football Teams Play Wednesdays At Marchbank Gridiron

Leading the league with three wins and no defeats, the Crocker Coyotes defeated Perpetual Help, 6 to 0, in the school district touch-tackle football competition at Marchbank Park last week. Jim Bricker passed to Jack Phillips for the only score in the third quarter.

Woodrow Wilson's Wildcats beat the Jefferson Rockets by a 13 to 6 score, with Richard McDonald passing to Mario Leveroni for the Rockets lone touchdown.

In the B Division, the Jefferson Buzz Bombs lost to the Woodrow Wilson Bobcats as Jim Galindo took a pass from Walter Huntsman to give the Bobcats a 6-0 win.

The Perpetual Help juniors won over Crocker's Junior Coyotes, 15 to 8, with Vern Waligora and John Murphy scoring for the winners and Tom Costello and Jim Kalinen leading the Coyotes attack.

More than 1,500 fans have watched the inter-school games so far this season. The school teams play each Wednesday afternoon, 4:15 p.m., at Marchbank Park.
